

TRACTOR WET KITS

COMPLETE HYDRAULIC SOLUTIONS. ONE SUPPLIER. ONE BOX.

COMPLETE SYSTEM. SEAMLESS PERFORMANCE.

All HYVA components are engineered to work together for a faster, easier, and more reliable installation.

EVERYTHING YOU NEED. ONE BOX.

Fully integrated hydraulic systems that simplify installation and reduce downtime.

- ✓ Engineered to Work Together
- ✓ Faster Installation (4 Hours or Less)
- ✓ Compact, Lightweight Components
- ✓ Proven Reliability, Lower TCO

THE HYVA ADVANTAGE

COMPLETE SOLUTION
All components engineered to work together.

FASTER INSTALLATION
Get up and running in 4 hours or less.

SIMPLIFIED ORDERING
One part number. One box. Less to manage.

PROVEN RELIABILITY
Built to perform. Backed by HYVA support.

EXPERT SUPPORT
Our team is here to help you succeed.

A COMPLETE LINE OF HYDRAULIC COMPONENTS

POWER TAKE-OFFS
PTOs & adapters for all major transmissions. Built for durability and maximum efficiency.

PUMPS
Gear pumps (85L, 105L) and piston pumps for high-performance applications.

OIL TANKS
Lightweight aluminum tanks in side or rear mount configurations. High volume-to-size ratio.

VALVES & CONTROLS
Tipping valves, dual pressure options, and a full range of pneumatic and joystick controls for smooth, precise operation.

HOSES, FITTINGS & ACCESSORIES
High-pressure & suction hoses, fittings, filters, air breathers, and hose guide arms.

COMPLETE KITS
Pre-configured wet kits for dump trucks, live floors, and custom applications. Everything in one box.
