

JSK37U Series Fifth Wheels

The Industry Standard

The JOST JSK37USL product line begins with a cast ductile iron topplate that is becoming the fifth wheel of choice among both national fleets and owner operators. With units now in service for over a decade in the North American market, performance and reliability are well proven and accepted.

Capacities & Ratings

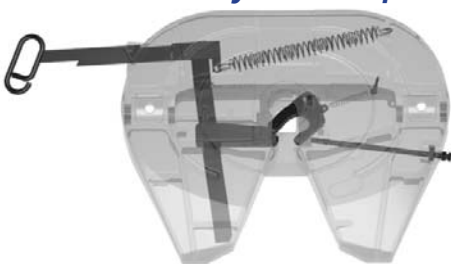

Maximum Vertical Rating
50,000 lbs

Maximum Horizontal Rating
150,000 lbs

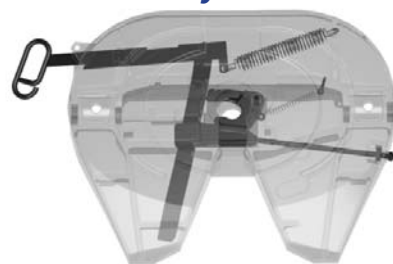

Benefits

- Replaceable cushion ring reduces lifetime cost of ownership.
- Can be rebuilt in 30 minutes without removing the topplate.
- High couple lugs in throat help prevent high coupling.
- Ergonomically designed release handle requires only 60 lbs of pull.
- Remote grease zerk for easy servicing of the lock jaw.
- Infinite adjustment allows for fine tuning adjustments for maximum driver comfort.
- Available in low lube, auto lube and air release models.
